

WF Band Letter Jackets

Dusty Crane, the Best Sports representative for our school will be available on *Tuesday, November 15, 2011 at 5:00 p.m.* in the West Fork Band Room to take orders for band letter jackets. Please see the WF Band website for pictures of our official jacket.

Each school year we provide an opportunity for our students to purchase band jackets; once again we are offering this opportunity to those who desire one.

Band jackets are not required! However, they provide a very nice winter coat at a reasonable price, and they allow your child to advertise his/her esprit de corps as a member of the West Fork Band program.

So Here's the Deal...

Band jackets are a very good investment for the money spent, and later on can provide a lifelong keepsake. The basic jacket with little or no "add-on equipment" is reasonably priced. Please see the following information to determine which features you wish to have on your child's jacket, and the approximate amount you will need to pay.

*Standard wool jacket with leather sleeves, including
"WF" official letter, Name & Instrument - \$195*

*Standard wool jacket with vinyl sleeves, including
"WF" official letter, Name & Instrument - \$135*

Available Options...

Grade year on sleeve - \$10

Official WF Band logo - \$12

Name on back - \$18

- Payment arrangements are between the buyer and Best Sports
